

## Inclement Weather Transportation Plan

Dear Daggett Montessori Parents,

In order to ensure the safety of all students, we will continue to implement inclement weather dismissal procedures when we are unable to escort students outside due to inclement weather. Please read the new procedures carefully. Rainy day dismissal will occur: (a) if it is steadily raining; (b) there is thunder and/or lightening or outside temperature is below freezing. A decision for inclement weather dismissal will be made at 2:45 pm. Once the decision is made at 2:45 there will be NO CHANGES.

Dismissal will be similar to morning drop-off. At 2:55, all elementary students will go to the gymnasium. Parents will pull into the circle drive. A DMS staff member will approach a car. The .04 Tf i dl T16(i)
