

What Is the Purpose of this Program?

The Advanced Academic Immersion (A²I) Summer Acceleration Program is designed to prepare students for entry into a rigorous course of study that affords ALL mathematics students the opportunity to accelerate their learning. A²I enables students to develop critical thinking and problem-solving skills essential to success in Advanced Placement (AP) and college courses.

What is required to enter the program?

Be enrolled in high school for the Fall of 2024 (Spring 2024 students in grades 8 - 11 are eligible)
Successful completion of pre-requisite courses

What are the course requirements?

Attend the course for 100 hours (five hours a day for 20 days). No more than two absences are allowed. More

Register on-line, on the FWISD Mathematics Department web page, no later than March 8, 2024. Students and families will be notified of program acceptance the week of May 6th - 15th, 2024, and confirmation of student participation is due May 10, 2024.
