Demographic Questions:

What school do you currently attend? _____

What grade are you in? Kindergarten

These next questions are about the food eaten in your household in the last 12 months and whether you were able to afford the food you need. You will read several statements that people have made about their food situation. For these statements, please select whether the statement was often true, sometimes true, or never true for (you/your household) in the last 12 months.

"The food that we bought just didn't last, and we didn't have money to get more." Was that often, sometimes, or never true for your household in the last 12 months?

- Often true
- Sometimes true
- Never true
- Don't Know

To what extent do the following statements apply to you?
