THE FINE PRINT

High school students at participating schools may be eligible to receive credit for up to 12 semester hours of college credit through the Fast Track program. This credit is earned by completing college-level courses during the senior year of high school. The credit is awarded based on the student's performance on the STAAR exam. The credit is awarded based on the student's performance on the STAAR exam. The credit is awarded based on the student's performance on the STAAR exam.

Students must be at least 17 years old and a U.S. citizen or permanent resident. Students must be enrolled in a high school that is a member of the Texas Education Agency. Students must be enrolled in a high school that is a member of the Texas Education Agency. Students must be enrolled in a high school that is a member of the Texas Education Agency.

The Fast Track program is a partnership between the Texas Education Agency and participating colleges and universities. The program is designed to provide students with a faster path to a bachelor's degree. The program is designed to provide students with a faster path to a bachelor's degree. The program is designed to provide students with a faster path to a bachelor's degree.

Use it or lose it! The credit earned through the Fast Track program is only valid if the student enrolls in a college within a certain time frame. If the student does not enroll in a college within the specified time frame, the credit will be forfeited. The credit will be forfeited. The credit will be forfeited.
