Quick Reference Guide

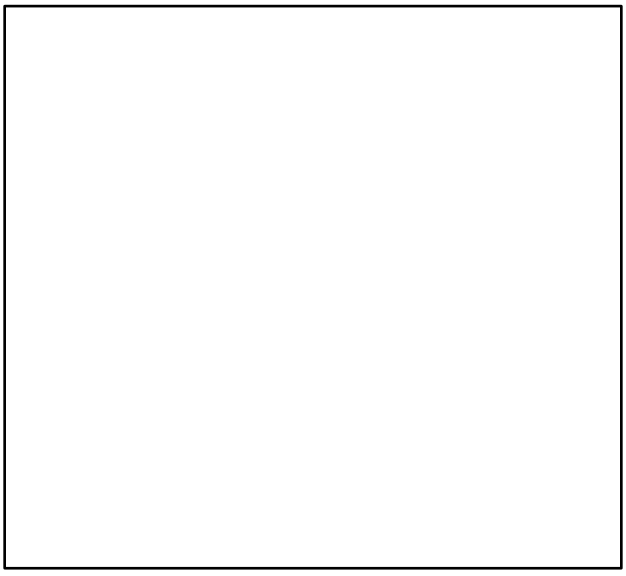
Accessing Curriculum and Instruction Courses in itslearning

Getting Started

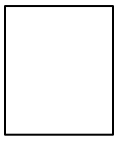
Grade level curriculum can now be accessed from within itslearning. If you do not see your grade level curriculum under your courses, follow these instructions.

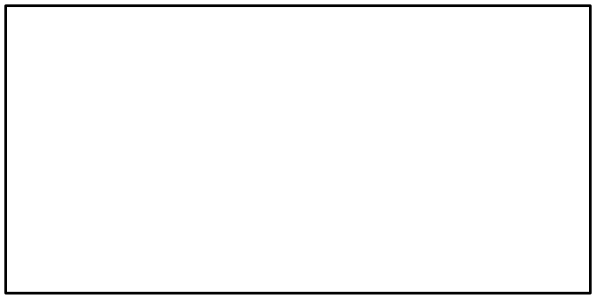
Log In

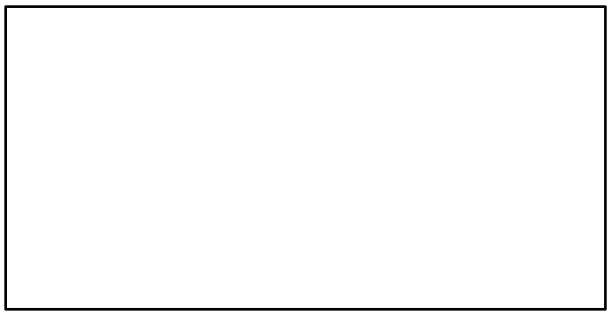
1. Go to my.fwisd.org
2. Login using your Active Directory username and password. Username does not need @fwisd.org



3. Choose security questions, if this is the first time to login to My FWISD App.
4. Locate the itslearning app on the My FWISD Apps portal page.







5. On the itslearning menu bar, select Course Catalog .

NOTE: If you do not see Course Catalog listed on the menu bar, click on More to display more options.

6. In the Site Course Catalog search box, type **C&I** (no spaces).

7. Find grade level content and click on the course you want to view.
