

Google Meet Q&A and Polls (Students)

As a meeting participant, you can add questions to a meeting. You can submit a response for a poll as well.

Ask a Question

Anyone in the meeting can see your questions until you delete them. The meeting host (teacher) can hide your questions and see all your deleted questions. When you ask a question, other participants and the teacher will get a notification in the meeting.

1. Inside Meet, click Activities.

2. Click Q&A

3. Click Ask a question in the lower right corner.

4. Enter your question and click Post

Find, Upvote, or Delete a Question

Participants can filter by All questions or My

questions. The host can filter questions, mark questions answered, and hide questions.

1. Click Activities.

2. Click Q&A

3. To filter questions, click the Down arrow next to all questions and select an option: All questions or My questions

4. To sort questions, click the Down arrow next to Oldest first and select option: Oldest first, Newest first, and Popular.

5. Click the Upvote icon to upvote a question and move it up in the list.

6. To delete a question, Click the Delete icon under the question.

Google Meet Q&A and Polls (Students)

Submit a Poll Response

As a meeting participant, you can submit a response for a poll. You will get a notification in the meeting when the host (teacher) starts a poll. Be sure to submit your response before the poll or meeting ends.

1. Inside Meet, click Activities.

2. Click Polls

3. In the poll, select your response
4. Click Vote. After you click Vote, you cannot change your response.
